New Windsor Fair & Rodeo Vendor Contract

As a vendor at the New Windsor Rodeo and Fair, you agree to set up during the designated setup times. If you have any issues, please contact the vendor supervisor, Ann Hank, at (309) 738-2850. The set-up times are Wednesday, August 13th, 2025, 4 pm - 8 pm, and Thursday, August 14th, 2025, 9 am-3 pm. Your business will be assigned to a spot on the rodeo grounds. A map will be sent out to all vendors beforehand with spot assignments. You are not guaranteed the same spot every year. If you plan to do a single-day setup, you may set up at your convenience.

The business is to provide everything needed for the setup. Electricity is available, but drop cords are needed. Generators are allowed. Each vendor is responsible for cleaning their area. The grounds are policed and protected in the evening. The New Windsor Fair & Rodeo is **NOT** responsible for theft, damage, injury, or loss before, during, or after the performance.

I release the New Windsor Fair & Rodeo from any responsibility for any theft, damage, injury, or loss before, during, or after the performance.
